

We are in our quiet period for club players, where we don't have a lot of things that we need to pass along. However, this is not a quiet time for the KVA office. We are busy selecting and ordering uniforms, looking at tournament options, reserving gym space, etc. There are a few important things for you to mark on your schedule or to take care of for us.

EMAIL GROUPS ~ If you have another email address you would like information sent to, such as spouse, work, etc, please email jimmy@katyvolleyball.com and he will add to the email group list. Even if you played for us last season, I need to update my groups.

They have initiated online payments for each of you to be able to take care of this process. **Instructions are on our REGISTER WITH THE REGION & MEDICAL RELEASE form news page for you to follow.** Reminder that you are responsible to take care of this for your player. This is not included in your fee this season. You will need to pay the \$45 online with a credit card.

MEDICAL RELEASE FORM ~ is on our Register with the Region & Medical Release form page. We MUST have this turned in before a player can begin her practice season in early November. You can mail that in to me with your September payment.

SAVE THE DATE~ KVA will be traveling to New Orleans in January. The Cajunland Blastoff is a 2 day event held in the Morial Convention Center. It will be the weekend of MLK, Jan 13 & 14th. KISD is out of school on the following Monday, so a fun weekend in NOLA! Hotel information will be posted on our hotels page soon.

We will also be attending the 3 day event at the Dallas Convention Center in April. Dates will be posted as soon as we know them.

POSITIONS STILL OPEN ~ We still have a handful of positions open in a couple of age groups, except 16's. If you know of a player who is looking for a place to play, please send them Jimmy's contact information. He will schedule a time to try out for a KVA team. jimmy@katyvolleyball.com

WEBSITE REMINDER ~ Keep an eye on our website, www.katyvolleyball.com We will not be sending as many emails this year, and will instead utilize the CLUB NEWS page. We will keep the Club News page updated with important dates.

Our team placement practices will begin in early November. (tentatively Nov 8th) We will also schedule a parent meeting at the same time as practice.

Until then, please encourage your players to work hard in their school practices. We'd sure like to see everyone jumping higher, swinging harder, and playing more aggressive! Go make some noise!!
